## EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, page 1, between the Title and "Technical Field", the following paragraph was inserted:

-- This application is a continuation of U.S. Application Serial No. 09/555,658, filed October 31, 2000, now U.S. Patent No. 6,754,158, which is a 371 of PCT/JP99/02294, filed April 28, 1999. --.

The following is an examiner's statement of reasons for allowance: the prior art of record considered as a whole fails to teach or suggest an optical information recording medium or a method/apparatus for duplicating an optical information recording medium, the optical information recording medium comprising: data overlapping a visible second information on a first information to form a sequence of pits, **the second information being expressed in a predetermined area in a radial direction and an angular direction on the optical information recording medium, and the second information being expressed according to a change of a pit width, a change of a pit length, or a change of width within only a portion of the length of the pit.** (bold language emphasized)

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul Huber whose telephone number is 571-272-7588.
